The news of changing the way to use arena.

Thank you for using plaza.

From March 17th in 2025, please don't use shoes for outside in arena not to fall down and to protect floor.

- Over elementary school students have to bring shoes for inside.
- Under elementary school students basically are barefoot and guardians need to put on slippers. However, when infants play table tennis, and play anything at indoor shoes corner, please bring indoor shoes.
